Description

Exclusive newly built Villa in the best urbanization of Benidorm. This elegant estate is built to the highest construction standards, in unique architecture design, completed in a modern style. Bright, free spaces and sober tones will allow you to feel in complete harmony with the environment. Villa offers one of the best sea views from elite urban settlement Sierra Cortina. Elegant luxury villa offering a unique design and architecture with curved gestures inspired by the waves of the sea. Trilateral planning on the ground floor provides an entrance zone, kitchen and open-plan living-dining room, one bedroom with in-suite bathroom and access to the terraces. Due to the panoramic, sliding windows on both sides of the construction, the living room may be transformed into an outdoor lounge. A master bedroom and two other bedrooms are located on the top floor. Each of them has a in-suite bathroom and access to the terrace. The rooms are equipped with fitted wardrobes. The basement level consists of a spacious entertainment area, one bathroom, laundry, wardrobe and a garage for three cars. A glamorous infinity pool with pre-installation of heating system, barbecue zone, landscaping..
